

**The Ohio State Firefighters' Association Regional Seminar
Free Training CE**

The Ohio State Firefighters' Association is taking a proactive approach to provide educational opportunities and approved CE for the Ohio Fire Service in 2024.

Committed to providing education and promoting good will among its members, the OSFA will be offering seminars around the state with approved fire CE. OSFA will begin this year by sponsoring several of these types of seminars around the state for the Ohio Fire Service. There will be no cost for these seminars.

Date: Saturday, March 16th 2024

Host Department

**Antrim Community Fire Department
20217 Cadiz Road, Antrim, Ohio 43973**

Morning Session:

9:00 to 3:30

9:00 am to 12:30 **Lithium Battery Awareness.** Deals with the growing number of battery powered vehicles and the thermal reaction that causes a fire. This class will cover the safety concerns of lithium batteries and fire attack operations.

Lunch provided by VFIS

Afternoon Session

1:30 pm to 3:30 **Water Shuttle Classroom.** This class will start with scene size up, the definition of Rural Water Supply Delivery and how to plan and prepare for it. Basic water delivery options, dump tank set ups and fill sites. Also, we will review what is NFPA's definition of a water supply.

These classes are offered free of charge for the Ohio Fire Service. Although these classes are free, you must register to attend.

Registration to: **osfaconed@gmail.com** Please respond with Name, Department, Address, Phone number, and sessions you will attend. CE Certificates will be issued.
